- Exchange information
- Seek an opportunity for international Energy R&D cooperation
- Identify topic for international energy R&D project between Korea and Czech

Areas : Nuclear, Smartgrid, PV, Energy Efficiency

Time	Areas	Contents(tentative)	Nation	
<u>Session 1 : Presentation</u>				
09:00-9:20	Welcome notes (TA CR, KETEP, CzechInvest?, Czech-Korean Society)			
09:20-9:40	Introduction and background of KETEP-TACR cooperation and Korea-Czech joint program		Korea / Czech	
09:40-10:55	Nuclear	KEPCO Engineering & Construction Co, KOREA NUCLEAR PARTNERS, enesG, Konec, VIV International	Korea	
10:55-11:50		TBD	Czech	
11:50-12:00	Q&A / Discussion			
12:00-13:00	Luncheon and networking			
13:00-13:15	Smartgrid	Omnysystem	Korea	
13:15-13:30		TBD	Czech	
13:30-13:45	PV	Msway Technology co.	Korea	
13:45-14:00		TBD	Czech	
14:00-14:15	Energy Efficiency	Xenix	Korea	
14:15-14:30		Coever	Korea	
14:30-14:45		TBD	Czech	
14:45-15:00	Q&A / Discussion			
15:00-15:15	Coffee Break and Move to the Next Session			
<u>Session 2 : Technical Discussion by Sector</u>				
15:15-16:00	Nuclear	Smartgrid	PV	Energy Efficiency
16:00-16:20	Wrap up and end			

Korean Delegation (TBD)

(KETEP)

Sangkyoung, Kim, Researcher of international Cooperation Division, KETEP

Seunghyun, Kang, Senior Researcher of international Cooperation Division, KETEP

Jinyoung, Lee, Researcher of international Cooperation Division, KETEP

(Company)

Corporate	Area
Omnysystem	Smartgrid
Msway Technology co.	Photovoltaics
Xenix	Energy Efficiency
Coever	
KOREA NUCLEAR PARTNERS	Nuclear
KEPCO Engineering & Construction Co	
enesG	
Konec	
VIV International
