Preamble

The project proposal No. T00100XXX with the title XXX submitted by the Project Promoter was accepted by the Programme Operator within the 1st Call for Proposals of the KAPPA Programme for Industrial Research, Experimental Development and Innovation and was evaluated in compliance with the legal framework of EEA and Norway Grants 2014 - 2021 and with the Section 21 of the Act on the Support of Research and Development. The Programme Operator has issued a Decision on Results of Call for

Proposals stipulating that the project proposal will be funded (hereinafter “approved project proposal”). This Decision is issued in compliance with the legal framework of EEA and Norway Grants 2014 - 2021 and with the Section 9 of the Act on the Support of Research and Development. All terms used in this Decision are defined in the KAPPA Terms and Conditions.

Article 1

Subject of the Decision

1. The subject of the Decision is to provide a grant to the Project Promoter to reach planned project results and project objectives and at the same time the obligation of the Project Promoter to use this grant and implement the project in accordance with the grant provision rules and the Key Project Parameters.
2. The purpose of the grant is to reach the objectives stated in the Key Project Parameters.

Article 2

The amount of provided grant and of eligible project costs

1. The maximum project grant is XXX CZK (in words: XXX Czech crowns), which is XXX% of the maximum eligible project costs.
2. The maximum amount of eligible project costs is XXXX CZK (in words: XXX Czech crowns).
3. The maximum project grant stated in Article 2(1) is financed as follows:
 - a) 85 % from EEA/Norway Grants in the amount of X XXX CZK
 - b) 15 % from the state budget of the Czech Republic in the amount of X XXX CZK.
4. The maximum possible grant intensity per project is 96% of all eligible project costs.

Article 3

Related documents

1. The Key Project Parameters document (Annex I) is an integral part of the Decision summarizing the key parameters of the approved project proposal in accordance to the Section 9(2) of the Act on the Support of Research and Development, and it includes: the business names of the Project Promoter and project partners; the first name, the last name and any academic titles and degrees of the Principal Investigator; the project timeline including the start date and the completion date of the

project (these dates are simultaneously initial and end dates of the eligibility of costs); the planned project results and project objectives; and a table of eligible project costs and grant amount.

2. Other grant provision rules and conditions of the project implementation are included in the KAPPA Terms and Conditions (Annex II).
3. An integral part of the Decision is the Project Partner's Acceptance of the Project Contract (Annex III).
4. If the Decision contains a clause differing from the KAPPA Terms and Conditions or the Key Project Parameters, the provision of the Decision prevails over the provision of the KAPPA Terms and Conditions and the Key Project Parameters.

Article 4

Project partners' expression of acceptance of the Decision
