The whole process of evalution

1   You receive an information on the assignment of the project proposal via e-mail

2   You log into **ISTA**

> **Are you eligible in terms of expertise and impartiality?**

NO   You reject the evaluation

YES   You accept the Order for completion of an evaluation report and the expert's declaration of impartiality (3 days)

3   You write the evaluation report directly in **ISTA** (21 days)

4   Administrator

> **Is the evaluation report complete?**

NO   The amendment of the evaluation report is requested

YES   The evaluation report is made available to a rappporteur (in the call for proposals where the evaluation by a rapporteur is the next phase of evaluation)

5   After the evaluation phase of the call for proposals is concluded, the anonymized evaluation report is made available to the applicant
