

Announcement of results of the 4th call for proposals of the funding programme for applied research, experimental development and innovation under the GAMA 2 programme, sub-programme 2

TA CR does not envisage concluding a Project Contract for the project proposals listed below.

Project proposals were not recommended for funding.

Rank.	Project code	Project title	Main applicant
1	TP04020026	Advanced steel armour plates for personal ballistic protection	BOGGES, spol. s r.o.
2-3	TP04020022	Cost of Equity - database of inputs and estimates for valuation	European Valuation Institute, z.ú.
2-3	TP04020047	Surehand - enhanced user testing and detailed market research for commercialization of the shooters application and portal	Trigama International s.r.o.
4-5	TP04020034	LOGIMIC LIGHT - smart wireless street lighting control	Logimic, s.r.o.
4-5	TP04020053	Automatic linear electromagnetic drive for sliding door	Southern Engineering s.r.o.

Rank.	Project code	Project title	Main applicant
6	TP04020027	Securing critical points in the process of preparing mycelium-based materials	myco s.r.o.
7-8	TP04020019	Alternative-based high-strength concrete (HSC)	Cementum, s.r.o.
7-8	TP04020031	Glucan particles as novel bioactive carriers of poorly-soluble active compounds	Levare s.r.o.
9	TP04020024	Clouder Air Client - virtual personal computer	XEVOS Solutions s.r.o.
10	TP04020054	Tolgee - tool for software localization	Tolgee s.r.o.
11	TP04020036	Clever Odour Fence Monitoring	DataFriends s.r.o.
12	TP04020020	Healthtech platform promoting healthy lifestyle choices and personalised healthcare	Floyd CZ, s.r.o.
13	TP04020037	Advanced steel armour plates for personal ballistic protection	Manyways s.r.o.
